All sales are expressly conditional on the Buyer's agreement to the standard terms of Net 10th Prox. Any different or additional terms or conditions proposed by Buyer in a purchase order or otherwise are objected to by Seller and will not be binding upon Seller unless specifically assented to in writing by an authorized representative of Seller's management. Accounts with past due balances are subject to suspension of credit privileges until the account is paid to current status. Minimum load and wait time charges will be assessed. These terms and conditions of sales represent the entire sales agreement of the parties as to purchases made by Buyer from Seller, except in situations where Seller has agreed to other or additional terms and conditions in writing by an authorized agent.

I have read, understand and accept the above terms and conditions of sale. I have provided true & correct information to the best of my knowledge. I further authorize Ingram Enterprises to verify any and all references given, to include but not limited to, trade and bank references and commercial/consumer credit reporting agencies that Ingram Enterprises considers necessary to determine our credit capabilities. I promise full and prompt payment of all indebtedness, obligations and liabilities of every kind, present and future, incurred by the Applicant for product and/or services purchased from Ingram Enterprises. I agree to pay all costs of collections including reasonable attorneys' fees and all court costs. I hereby waive notice of acceptance, default and exemption. All parties further agree that, in the event that legal action becomes necessary, the same will be filed in Brown County, Texas. If any term or provision of this application, including, but not limited to, the above "Terms and Conditions" or "Personal Guarantee" is determined to be invalid or unenforceable under present or future laws, such provision shall be severable, and shall not invalidate the remainder of the terms of this application.

Each shipment or delivery shall be deemed to have been sold under a separate and independent contract. Any order for merchandise and/or services by Buyer shall constitute a representation that Buyer is solvent. If, in the judgement of Seller, the financial condition of the Buyer at the time of shipment does not justify the terms of payment specified, or Buyer is in breach of any of the terms and conditions stated herein, Seller reserves the right to require from buyer full or partial cash payment or other adequate assurance of performance before shipment.
